Agency Newsletter

September, 2010

Agency Menu upgrades....

As we continue to strive to add more product to the monthly menu as it comes in instead of holding it until the beginning of the next month, we will be changing the ordering system to add items immediately and remove the items that are gone. We will be operating a more "live" ordering

system directly from our website giving you instant access to available product. There will no longer be a need to

rush your order at the beginning of the month because the product will be changing on a daily basis. We still ask that you place one order per month, unless you have talked with Kay or myself.

Each **program** will be issued a username and password. You will be then be asked to choose a location to "shop" from (Sioux Falls, Rapid City or Pierre.) From here, the site-specific menu will appear and you will be able to enter the quantity of each item you would like to order. We have also added a menu "Order Review" and "Total" feature before you submit your order. Hopefully this helps those pro-

grams to remain within their own budgets.

For those of you who do not have access to our website, I will still email / fax / mail you the regular order form at the beginning of the month. You might be at a slight disadvantage though as you will not have access to all available product.

We expect to launch the "live ordering system" in October, but we will send out a notice prior to that to prepare everyone. We encourage all of you to take advantage of this opportunity! If you have any questions, please call me at 335-0364. Jennifer Stensaas

Upcoming Events....

Rapid City.....

New hours in Rapid City...

Effectively immediately, the Food Bank will not be open until 8am and will close at 4:30pm. Thank you.

The second traditional night blast of the year is on September 6th. The blast celebrates the dual anniversaries of the 1877 death of Crazy Horse and of the 1908 birth of sculptor Korczak Ziolkowski. The public is welcome at the night blasts. After 6 p.m. on the days of the night blasts the Memorial gratefully accepts three cans of food per person for the KOTA Care and Share Food

Drive in lieu of the regular admission fee. Because the night blasts are among the Memorial's most popular events, the public is advised to arrive early. The restaurant at Crazy Horse closes on the evenings of the night blasts but the Snack Shop remains open. Important note: Night blasts are conducted on a "weather permitting" basis.

We have opened a food bank in Pierre. Starting with this month, we ask that you do all your food bank business with them. The services provided to you through Sioux Falls, should be the same as what you will receive working with Pierre.

Thank you again for all you do and all we have done working together.
