### The Important Role Church Response plays in Fighting Hunger in our Community

- Distributes approximately 18,000 bags of food a year to those in need in our community.
- One-half of all the food distributed goes to feed children, one fifth to the elderly, and one-half to adults who are employed, but don't have enough to feed their family for the month.
- The quantity and quality of the food we have available for distribution depends largely on donations from the community.
- Provides toiletries, assists with past due utilities, gasoline for work or school and birth certificates and picture ID's to obtain employment.

### Hunger Facts about the Community Food Banks of South Dakota

- Distributed 8.5 million pounds of food to 500 non-profit agencies in 2008
- Distributed 413,125 pounds of food to families in need of emergency food assistance from our Community Pantry
- Operate the Backpack Program which provides over 1,100 at risk school children a food package each weekend
- Fill Habitat for Humanity homes with food and personal items before the family moves in
- Are part of the Disaster Response team that provides both food and staff members to assist when a disaster strikes locally and around the country

**100% OF THE PROCEEDS OF ALL EVENTS GO DIRECTLY TO CHURCH RESPONSE AND THE COMMUNITY FOOD BANKS OF SOUTH DAKOTA!**
