

VOLUNTEERS NEEDED

Working a Mobile Food Distribution fuels hope and nourishes communities.

What are Mobile Food Distributions?

Mobile Food Distributions allow us to go where hunger is, instead of hunger having to find us. Distribution sites are hosted by a Feeding South Dakota partner and are set up drive-through style, where volunteers load grocery boxes pre-packed with nutritious foods directly into the vehicles of those utilizing the program.

Why volunteer at Mobile Food Distributions?

By giving your time, you become a crucial part of the effort to ensure nutritious meals reach those facing hunger. Join us in making a tangible impact, one packed box at a time.

*This institution is an equal opportunity provider.
